

Traditional Irish Potato Salad

For my Traditional Irish Potato Salad you will need:

Leftover Cooked Potato.
Onion/Spring Onions.
Seasoning.
Parsley
Mayonnaise.

Method:

Place the Potato in a large bowl. I like to crush my Potato slightly but you can use either boiled or mashed potato for this salad so whatever you like is fine.
Add seasoning.

Dice the Onion and add to the Potato.
Add the chopped fresh Herbs too.

Add enough Mayonnaise to bring the mixture together.
Too much will make the mix too clagy and heavy.
Adjust seasoning as required.

Chill for at least an hour.
Serve and enjoy.
